Re: Consolidated SOAH Docket No. 473-19-1265, Consolidated PUC Docket No. 48785;
*Joint Application of Oncor Electric Delivery Company LLC, AEP Texas Inc., and
LCRA Transmission Services Corporation to Amend Their Certificates of Convenience
and Necessity for 345-kV Transmission Lines in Pecos, Reeves, and Ward Counties,
Texas (Sand Lake-Solstice and Bakersfield-Solstice)*

Dear Judges Neinast and Soto:

It has come to my attention that the Unanimous Stipulation on Routing of the Bakersfield to Solstice Project within Pecos County that was filed in this docket yesterday, February 19, 2019, is missing page 12, which is the signature page of counsel for the Public Utility Commission of Texas. A complete corrected copy of the Unanimous Stipulation on Routing that includes all of the necessary signatories is being re-filed with this letter. I apologize for any inconvenience this may have caused.

Sincerely yours,

Kirk Rasmussen
